CONVERGENCE AND KNOWLEDGE PROCESSING IN MULTI AGENT ...

Wed, 10 May 2017 09:44:00 GMT

title: convergence and knowledge processing in multi agent systems 2nd printing subject: convergence and knowledge processing in multi agent systems 2nd printing

BALLOONING HIGH AND WILD - NUNGFO

Sat, 13 May 2017 22:48:00 GMT

... knowledge processing in multi agent systems ...

convergence_and_knowledge_processing_in_multi_agent_systems_2nd_printing.pdf.

<http://nungfo/g/un/convergence> ...

SECOND-ORDER CONSENSUS IN MULTI-AGENT SYSTEMS BASED ON ...

Tue, 09 May 2017 03:47:00 GMT

second-order consensus in multi-agent systems ... the convergence speed of second-order multi-agent ... we design the following protocol based on second-order ...

SECOND-ORDER CONSENSUS SEEKING IN DIRECTED ... - SPRINGERLINK

Thu, 27 Sep 2012 23:58:00 GMT

this paper focuses on the analytical study of final consensus convergence state of multi-agent ... second-order consensus multi-agent systems, ... process. 58 , 2866 ...

SOFTWARE ENGINEERING FOR MULTI-AGENT SYSTEMS V » LINK FILES

Thu, 06 Apr 2017 14:06:00 GMT

software engineering for multi-agent systems v: ... convergence & knowledge processing in multi-agent systems ... print. add comments. your name: your e-mail: enter ...

A QUANTUM APPROACH TO MULTI-AGENT SYSTEMS (MAS ...

Sat, 29 Apr 2017 09:50:00 GMT

a quantum approach to multi-agent systems (mas), organizations, and control w.f. lawless ... the convergence process in ... system of agents with multiple factions of ...

ON CONVERGENCE RATE OF LEADER-FOLLOWING CONSENSUS OF ...

Mon, 06 Feb 2017 22:54:00 GMT

on convergence rate of leader-following consensus of ... protocol for linear multi-agent systems with ... convergence rate of the multi-agent system has ...

CONVERGENCE RATE OF DISTRIBUTED CONSENSUS FOR SECOND-ORDER ...

Thu, 10 Jun 2010 23:59:00 GMT

... convergence rate for second order multi-agent systems. ... systems; signal processing ... the consensus convergence rate for second order multi-agent ...

A NOVEL APPROACH TO ACCELERATE THE CONVERGENCE SPEED OF A ...

Mon, 06 Jun 2011 23:53:00 GMT

a novel approach to accelerate the convergence speed of a stochastic multi-agent system using recurrent neural nets. ... the means of state is the knowledge of agent.
